

BMD PROJECTS ENGINEERING (PTY) LTD

SASDT PROCESSORS DAY SYMPOSIUM 27 MAY 2026

PRESENTATION BY BRENDAN VORSTER

SHOWCASING PROCESSING EQUIPMENT MANUFACTURED BY
A LOCAL SUPPLIER – REACHING THE GLOBAL MARKET

AGENDA

01	About Us
02	Design and Manufacturing
03	Equipment Showcase
04	Environmental Project
05	Global Projects
06	Awards and Recognition
07	Thank You – Questions Welcome

ABOUT US

1

BMD Engineering based in George, Western Cape is a family-owned business operating since 1999.

2

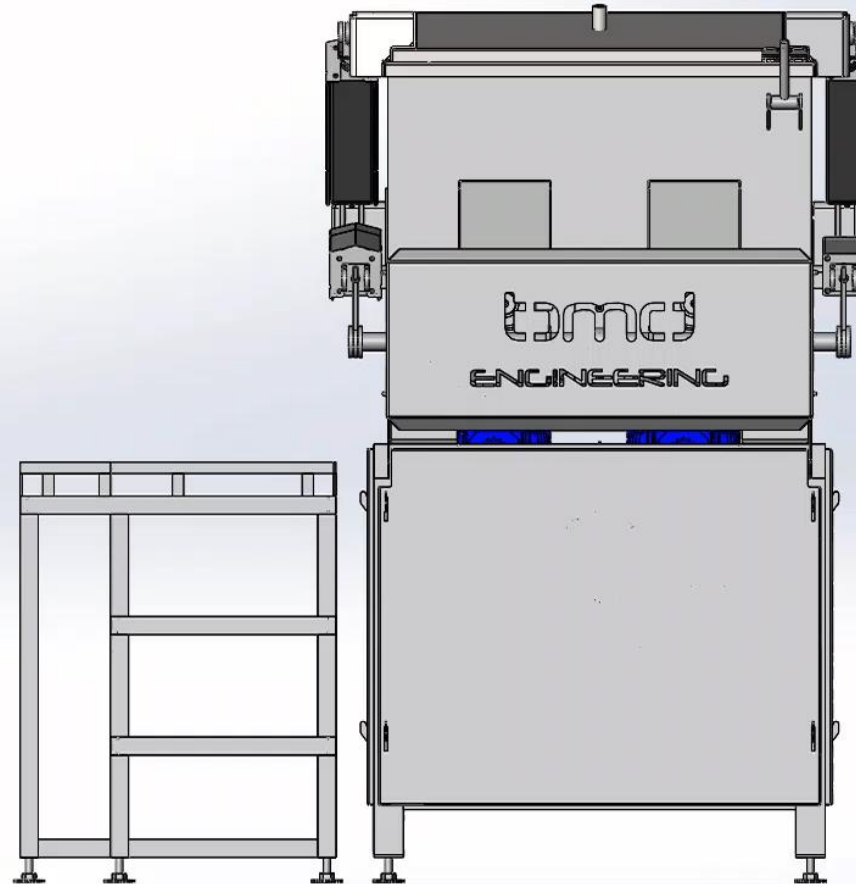

We specialize in the design and manufacture of a wide range of dairy processing equipment, as well as food grade process piping and plant maintenance.

3

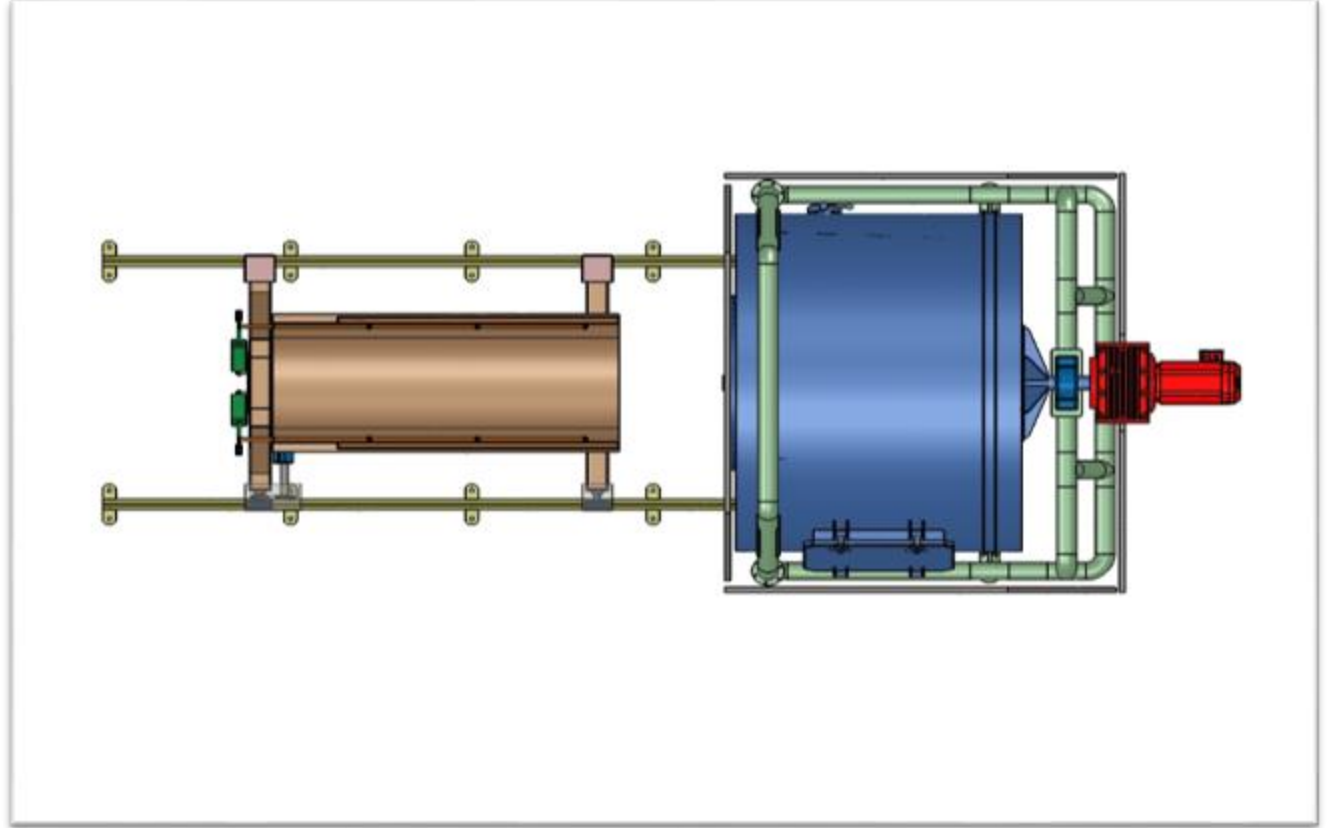

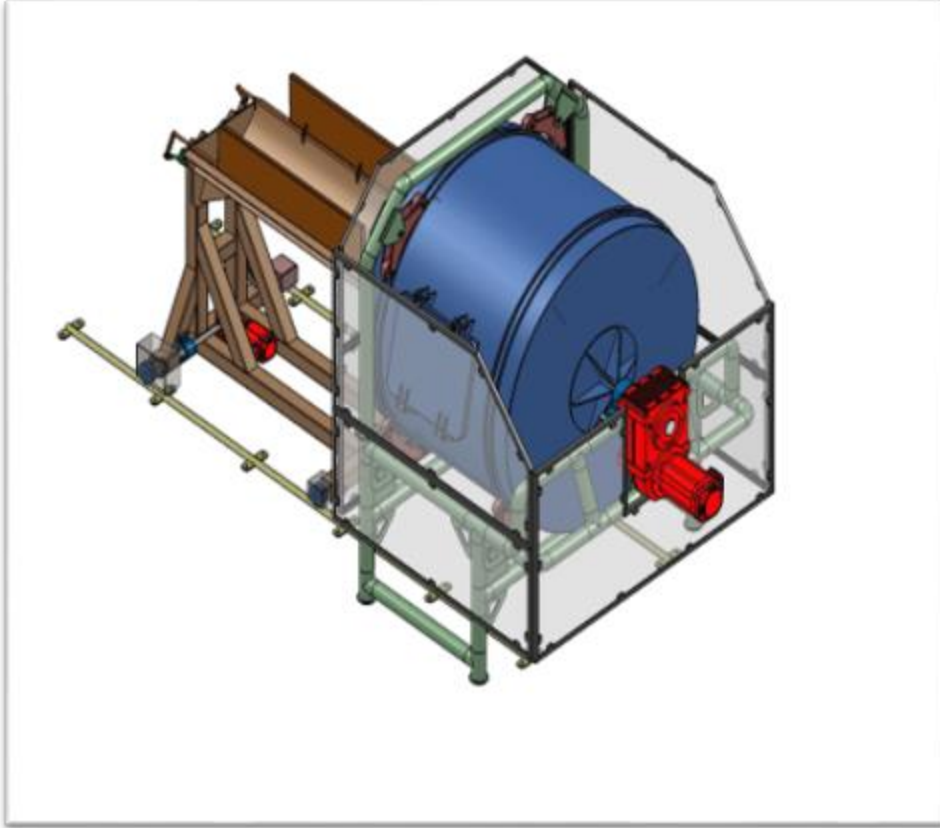

We take pride in creating reliable, efficient solutions and equipment, delivered with confidence, attention to detail, and a strong sense of craftsmanship.

Championships
2024**

Thank You

Thank you for joining me today. We've explored our equipment, workshop processes, environmental projects, global projects, and the recognition our clients have achieved. I welcome your questions and look forward to continuing the conversation about driving dairy excellence together.

Questions Welcome
